Edward Beatrice Named Administrator at The Laurels of Walden Park

With over 15 years of experience in the industry, Beatrice is well prepared for new role

COLUMBUS, Ohio – The Laurels of Walden Park, a skilled nursing and rehabilitation center operated by Laurel Health Care Company (LHCC), is pleased to announce Edward Beatrice as its new administrator. Beatrice brings over 15 years of experience in skilled nursing and long-term care to the position, all at the administrative level.

As administrator at The Laurels of Walden Park, Beatrice is responsible for day-to-day operations of the facility. On top of managing over 250 employees and ensuring the comfort and care of guests, Beatrice must direct financial proceedings to stay within the limits of the annual budget, maintain a high occupancy rate and work to keep The Laurels compliant with federal, state and local regulations.

“I am excited and honored to begin my new role as administrator at The Laurels of Walden Park,” Beatrice said. “I work in this industry because I want to make a difference in the lives of our guests, their families and my staff. I try my hardest to give every moment I have my absolute best, and my goal is to make this facility and company proud.”

Beatrice rejoins Laurel Health Care Company after two years with The MacIntosh Company. He served as administrator at The Laurels of Toledo from 2010-17 and in total has been an administrator at five skilled nursing facilities in the state of Ohio.

A native of Greeley, Colo., Beatrice received his administrator credentials and license in 2004 along with an executive assisted living certificate in 2018. He is a 2003 graduate of Ohio Wesleyan University with a degree in history and theology.

Beatrice resides in Columbus with his wife and two sons.
