Underly brings more than 20 years of healthcare experience to his new role

GOSHEN, Ind. – The Laurels of Goshen, a skilled nursing and rehabilitation complex operated by Laurel Health Care Company, is pleased to announce Chad Underly as its new administrator. Underly brings more than 20 years of healthcare experience to The Laurels, located at 1640 Autumn Blaze Drive.

Underly, a registered nurse and licensed nursing home administrator, earned a Bachelor of Science in health science and public administration from Grand Valley State University. His leadership experience within skilled nursing homes, assisted living facilities, and foster care communities makes him ideal fit for his role as administrator.

"I am excited and honored to begin my journey at The Laurels of Goshen," Underly said. "I am committed to reinforcing a positive work atmosphere for frontline caregivers and ensuring those in our care enjoy a safe, secure, and homelike environment. At The Laurels, we will always treat our guests as family."

As administrator of The Laurels of Goshen, Underly will be responsible for the day-to-day operations of the facility. On top of managing facility staff and overseeing daily operations, Underly must direct financial proceedings to stay within the limits of the annual budget, maintain occupancy rate, and work to keep The Laurels compliant with federal, state and local regulations.

Underly and his team at The Laurels are excited to engage with the local community and establish professional relationships through events and partnerships. If you would like to learn more about The Laurels of Goshen, please contact Underly at 317-653-5767.
