LAUREL HEALTH CARE COMPANY ACQUIRES LINCOLN PARK MANOR

Local skilled nursing, rehab, and assisted living facility has been renamed The Laurels of Kettering

KETTERING, Ohio – Laurel Health Care Company (LHCC), a national provider of skilled nursing, rehabilitation, sub-acute, and assisted living services, is pleased to assume ownership of the former Lincoln Park Manor, a skilled nursing, rehabilitation, and assisted living facility located at 694 Isaac Prugh Way that will now be known as **The Laurels of Kettering**.

Founded in 1992 and headquartered in Westerville, Ohio, Laurel Health Care Company owns and operates 35 skilled nursing and rehabilitation facilities and two assisted living centers in five states. LHCC-operated communities provide both short-term and long-term residents with comprehensive health-care services in comfortable, home-like environments that promote the highest level of independence and life quality.

“Laurel Health Care Company is thrilled to welcome The Laurels of Kettering to our family of facilities,” Cathy Chiovaro, LHCC vice president of operations, said. “We are committed to an active, visible partnership in the growth and development of this community, and we look forward to being the premier provider of skilled nursing and rehabilitation needs for the city of Kettering, Montgomery County, Greene County, and the surrounding area.”

The Laurels of Kettering is a four-star rated facility in *Overall Quality* and *Quality Measures* according to the Centers for Medicaid & Medicare Services (CMS) and features 60 state-licensed Medicare skilled nursing beds with private and semi-private options, along with 30 private assisted living suites. Additional services include long-term care, short-term respite care, outpatient therapy, and palliative/hospice care.

Acquisition of the property from Culmen Real Estate Services was completed by LHCC on August 1. The Laurels of Kettering will be the fourth LHCC facility in the greater Dayton area, joining The Laurels of Huber Heights, The Laurels of Middletown, and The Laurels of West Carrollton.
