

Outdoor Visitation Guidelines as of 7/20/2020

- 1) Guests will have a maximum of two visitors per session.
- 2) Both guests and visitors must wear masks at ALL times. All visitors must provide their own mask.
- 3) No physical contact is allowed between guests and visitors.
- 4) Visits will be limited to 30 minutes to allow for proper cleaning before and after visits.
- 5) Guests and visitors must maintain social distancing of at LEAST 6 feet.
- 6) Visitors must use hand sanitizer before and after visit (hand sanitizer will be provided by the facility).
- 7) No children under the age of 2 years are permitted to visit.
- 8) A Laurel employee will monitor visits at all times.
- 9) Visitors must sign and consent to attestation and education provided by the facility.
- 10) Visitors will be checked for temperature upon arrival. If the visitor exhibits any signs or symptoms of COVID-19 or a temperature greater than 100 degrees, he/she will not be permitted to visit.
- 11) Failure to abide by these guidelines will result in immediate termination of the visit.

Please call the facility to set up appointments at 740-397-3200.
