**The Laurels of Salisbury Earns AHCA/NCAL Quality Initiative Recognition**

*Local skilled nursing facility achieves three quality improvement goals*

**SALISBURY, N.C.** – The Laurels of Salisbury, a skilled nursing and rehabilitation center operated by Laurel Health Care Company (LHCC), was recently recognized as a Tier 3 Achiever by the American Health Care Association and National Center for Assisted Living’s (AHCA/NCAL) Quality Initiative Program for its work to improve the quality of care for short-term and long-term residents.

The AHCA/NCAL Quality Initiative Program challenges long term and post-acute care member providers to meet specific, measurable targets by March 2021. Since the launch of these national quality goals in 2012, fewer residents are returning to the hospital and use of antipsychotic medications has declined.

Skilled nursing centers receiving recognition achieved at least one of AHCA’s Quality Initiative goals, which are:

- Hospitalization: Safely reduce long-stay and short-stay hospitalizations by 10 percent—or maintain a rate of 10 percent or less;
- Functional Outcomes: Improve functional outcomes (mobility) by 15 percent;
- Customer Satisfaction: Improve long-stay and short-stay satisfaction by 10 percent—or achieve a rate of 90 percent or greater; and
- Antipsychotics: Safely reduce the off-label use of antipsychotics by 10 percent—or maintain a rate of 8 percent or less in long-stay residents, and maintain a rate of 1 percent or less in short-stay patients.

As a Tier 3 achiever, The Laurels of Salisbury was recognized for improvements in three of the goals, joining approximately 3,000 skilled nursing centers nationwide.

“The Laurels of Salisbury and Laurel Health Care Company are committed to the quality improvement efforts being made nationwide to ensure the highest levels of care for residents,” Cathy Chiovaro, LHCC vice president of operations, said. “We thank AHCA/NCAL for this tremendous recognition. It is an excellent endorsement that The Laurel Way of Caring makes a difference!”

All buildings that met AHCA Quality Initiative goals will be honored at the AHCA/NCAL Quality Summit in Grapevine, Texas, in March 2020.
