The Laurels of DeKalb Receives Awards

Butler, IN — The Laurels of DeKalb received several awards at Laurel Health Care Company's annual management meeting on June 12, 2018, held in Columbus, Ohio. The various awards are presented annually, recognizing Laurel Health Care facilities for achievements in prior year operations.

Awards received include the Finnerty Award, for care and maintenance of the facility, The Laurel Way Award recognizing customer & employee satisfaction, employee turnover, community involvement and 5 Star Rating and The Castor Award for excellence in quality care. The Laurels of DeKalb also received special recognition in survey performance for achieving 4 consecutive deficiency free surveys for the years 2015, 2016, 2017 and 2018.

Laurel Health Care Company, founded in 1992, headquartered in Westerville, Ohio, is a national provider of skilled nursing, rehabilitation, sub-acute and assisted living services dedicated to one simple principle – achieving the highest standards of care and caring. Laurel Health Care Company owns and operates 38 skilled nursing facilities and four assisted living centers in five states. The company's management and resources enable its local facilities to offer high-quality patient care by providing a comfortable living environment and comprehensive health care services, including subacute care, complex medical programs, and assisted living. Laurel achieves this goal in partnership with residents and families, their associates and the communities they serve.
